Precision Walk: Elevate A treadmill climbing workout that challenges your ability across a variety of inclines. Personalize your pace, put a little performance in your walk and improve your cardiovascular endurance. An Equinox exclusive. Bring headphones.

◆ Yoga

Amplified Vinyasa Improve physical and mental strength, flexibility, and stamina in this fast-paced flow class led by Rika Henry. Challenge yourself with arm balances and inversions seamlessly woven together with creative sequences set to the steady beats of electronic music. A familiarity with vinyasa is recommended.

Power Vinyasa A vinyasa class with the strength dialed up. Challenge your whole body with a sequence of postures designed to build power and demolish limitation. A familiarity with vinyasa is recommended.

Sculpted Yoga™ Take Vinyasa up a notch with a challenging class that combines yoga with light weight sculpting. Incorporating Bala bangles and hand weights, this class merges Vinyasa flow with low-impact toning exercises to enhance strength, mobility, and balance. An Equinox exclusive.

Slow Flow Yoga A luxuriously mellow take on vinyasa yoga focused on deliberate, quality postures and transitions. Balance effort with ease, link breath with movement, and rejuvenate body and mind.

Vinyasa Yoga This timeless approach to yoga links movement and breath through flowing sequences. Unlock your body's potential, challenge your limits, and soothe your mind in this transformative practice.

◆ HIIT

Athletic Conditioning This high energy full body workout is designed by your instructor to increase your strength, endurance, and agility. Select exercises and drills are sequenced to push your performance to the next level. Leave it all on the floor.

Circuit Training Maximum Effort + Minimum Time = Total Body Results. Work through timed intervals cycling between specially designed stations to build strength and endurance.

Core6 Train your center from every angle. Explore six distinct core pathways using SandBells and bodyweight. This structured interval flow with bursts of high intensity will build a stronger, more resilient foundation that supports your every movement inside and outside the club. An Equinox exclusive.

Lower Body Blast Train everything below the belt in a class that focuses on lower body strength, definition, and endurance. Expect exercises using bodyweight and a variety of equipment including weights and bands. You'll push your legs and glutes to the limit.

MetCon Monday Mondays are for MetCon, so start your week strong! This metabolic conditioning workout taxes all three energy systems for optimal results. Three rounds of exercises designed to leave you fit, energized, and ready for more. An Equinox Exclusive.

MetCon3 This metabolic conditioning workout taxes all three energy systems for optimal results. Three rounds of exercises designed to leave you fit, energized, and ready for more. An Equinox exclusive.

Stacked Maximize your workout by "stacking" targeted exercises to increase endurance, strength, and power. Each set is an opportunity to uplevel and achieve all-out effort. An Equinox exclusive.

Tabata Max Max out your training in this science based HIIT class. Push your strength and cardio limits with intervals where your rest is always shorter than your work. Challenge the possibilities of what you can accomplish in just 20 seconds as you meet or beat your goals in this Equinox exclusive class.

Ultimate Resistance An intense integrated-strength workout created by fitness expert, Alexander Charles using a single weight and resistance tubing. Ignite metabolic burn through a series of strength and core conditioning.

Whipped! Whip yourself into shape in this circuit class that will push your limits. Build power and endurance using battle ropes, high-intensity strength, and cardio drills. An Equinox exclusive.
