**Precision Walk: Elevate** A treadmill climbing workout that challenges your ability across a variety of inclines. Personalize your pace, put a little performance in your walk and improve your cardiovascular endurance. An Equinox exclusive. Bring headphones.

## Yoga

**PURE: Alignment Yoga Basics** This therapeutic class is designed to develop ease, healthy alignment, and body awareness. Props and mindful adjustments in posture are used to aid body awareness and focus. It's yoga without the "om."

**PURE: Ashtanga Yoga Hot** This heated traditional sequence combines power and flexibility with movement and breath to produce an energetic practice. The heat allows for deeper exploration as the body opens up.

**PURE: Ashtanga Yoga Led** This class covers the Primary Series of Ashtanga Yoga, counted with the traditional vinyasa. Students will be led through half primary (navasana), after which the teacher may determine a safe stopping point for the majority of the class.

**PURE: Candle Light Yoga Hot** Hot Candle Light Flow is characterized by flowing poses and sequences that are linked to the breath. In a candle lit room this class is a mindful approach to Vinyasa flow.

**PURE: Hatha Yoga** Hatha yoga explores the traditional asanas (or "poses") of yoga connecting the body to the mind. The practice is designed to increase awareness and stability through controlled grounding movements with a focus on breath, and stretching to deepen each posture.

**PURE: Hatha Yoga Advanced Hot** Hatha yoga explores the traditional poses of yoga connecting the body to the mind. The practice is designed to increase awareness and stability through controlled grounding movements with a focus on breath, and stretching to deepen each posture.

**PURE: Iyengar Yoga** Based on the principles of B.K.S. Iyengar, this class emphasizes attention to detail and precise alignment of postures. Poses are held longer and the use of props is encouraged to modify poses, if needed.

**PURE: Meditation Sound** A deeply immersive experience that uses sound to nurture body and mind. Get centered, relax and immerse yourself in the sounds of chimes, rain sticks, singing bowls, gongs and more. This soothing blend of guided meditation and live musical instruments will leave you feeling uplifted and restored.

**PURE: Meditation Yoga Nidra** Yoga Nidra is the art of conscious relaxation. A powerful practice where the body and mind are liberated from their tensions and anxiety. Learn how to put the body into sleep while the mind remains fully awake. Deep levels of healing takes place on the emotional, mental, and physical planes.

**PURE: Mysore Style Ashtanga Yoga** Mysore refers to the way Ashtanga Yoga is traditionally taught in its home city of Mysore, India. Learn individually within a supportive group setting, progressing at your own pace under the guidance of an expert teacher. Students may enter any time during the block of time (up until an hour before the end of class), however beginners are encouraged to arrive at the start time of class.

**PURE: Power Yoga Advanced Hot** This is a power yoga class taught in a room heated to 102 degrees. The heat will provide for a detoxifying sweat while you flow through an athletic and dynamic sequence of postures. This level is for the student who has a basic knowledge of the Asanas as well as navigating in and out of postures.

**PURE: Power Yoga Hot** "This is a power yoga class taught in a room heated to 102 degrees. The heat will provide for a detoxifying sweat while you flow through an athletic and dynamic sequence of postures. Cueing will gear towards more progressive alignment as well as deepening within postures.

**PURE: Restorative Yoga** Restorative yoga is a deeply relaxing way of practicing yoga. Given props, the student achieves poses without much muscular strength, facilitating deep release in the connective tissue and calming the nervous system. Teachers may offer a meditative focus.

**PURE: Slow Flow Yoga** Take it slow with this gentle, but deep approach to Vinyasa yoga. This practice links poses to breath to reveal body awareness, inner strength, and opening.

**PURE: Upside Down Yoga** This class is primarily focused on the main inversion asanas of headstand, forearm stand, and handstand. A focus on alignment as well as exploration of different ways of entry and exit allow students to practice in a safe and open environment. Upside-down is suitable for students of all levels.

**PURE: Vinyasa Yoga** Vinyasa is characterized by flowing poses and sequences that are linked to the breath and is a vigorous, more athletic approach to yoga. Students should have a basic understanding of arm balancing with the expectation of inversion preparation and progressive back bending.

**PURE: Vinyasa Yoga Advanced** Vinyasa is characterized by flowing poses and sequences linked to the breath. This class is diverse and sequencing will vary with instructor philosophy and in general is a vigorous, more athletic approach to yoga. Intricate sequencing, full inversion/arm balancing offerings and deep backbending.

**PURE: Vinyasa Yoga Advanced Hot** Taught in a room heated to 104 degrees, Vinyasa is characterized by flowing poses and sequences that are linked to the breath. This class is diverse and sequencing will vary with instructor philosophy and in general is a vigorous, more athletic approach to yoga.

**PURE: Vinyasa Yoga Fundamentals** Vinyasa is characterized by flowing poses and sequences that are linked to the breath. This class is diverse and sequencing will vary with instructor philosophy and in general is a vigorous, more athletic approach to yoga. Build a foundation with a focus on expanding practice knowledge.

**PURE: Vinyasa Yoga Hot** This class done in a heated room, is characterized by flowing poses and sequences that are linked to the breath and is a vigorous, more athletic approach to yoga. Students should have a basic understanding of arm balancing with the expectation of inversion preparation and progressive back bending.

**PURE: Yin Yoga** Yin yoga is characterized by poses supported by props (blanket, block, bolster). To differentiate it from a restorative class, yin will get deep into the soft tissue of the body. It's less restful, and geared more towards a functional release of deep muscle tissue.

**PURE: Yin/Yang Yoga** This class begins with a fiery Yang (Vinyasa) practice to build heat in the body. This heat prepares the body to then melt deeply into 30 minutes of Yin yoga (restorative, deep release).

**Power Vinyasa** A vinyasa class with the strength dialed up. Challenge your whole body with a sequence of postures designed to build power and demolish limitation. A familiarity with vinyasa is recommended.

**Restorative Yoga** A gentle, healing practice that uses props to support deep rest and balance in the body. Relax your muscles, ease your mind, and nurture your spirit.

**Vinyasa Yoga** This timeless approach to yoga links movement and breath through flowing sequences. Unlock your body's potential, challenge your limits, and soothe your mind in this transformative practice.

**Weekend Wind Down Yoga** A soothing yoga journey that uses extended postures and supportive props to fully reset body and mind. Move slowly, breathe deeply, and restore completely in this special weekend only class.
